

RESOLUTION NO. 2018-59

CURRY COUNTY

**A RESOLUTION SUPPORTING
THE GENERAL OBLIGATION BOND ISSUE D**

WHEREAS, on this year's ballot there will be a "yes or no" approval for general obligation Bond D; and,

WHEREAS, funds for capital expenditures at certain state postsecondary institutions are necessary for the maintenance of facilities, as described in the 2018 Capital Projects General Obligation Bond Act; and,

WHEREAS, revenues from General Obligation Bond Acts are a traditional and practical source of funding to meet such needs; and,

WHEREAS, General Obligation Bond Issue D would make \$128,070,000 available for education projects statewide; and,

WHEREAS, through General Obligation Bond Issue D, Clovis Community College will receive \$1.5 million for parking lots and infrastructure upgrades and Eastern New Mexico University in Portales will receive \$8 million to renovate and upgrade the campus' Roosevelt Science Center, constructed in 1953; and,

WHEREAS, the passage of Bond D would also mean additional revenue for Curry County in numerous ways, including funds spent within the community for construction and other supplies and materials, the employment of local people, and out-of town workers staying, shopping and eating in Clovis; and,

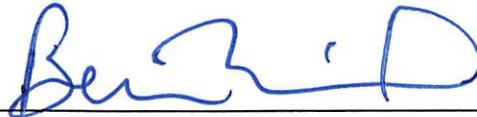

WHEREAS, the passage of Bond D would help New Mexico's higher education institutions stay competitive with neighboring States, fighting the "brain drain" by keeping the brightest students in New Mexico. This would create a better workforce and attract better paying jobs. This also increases the tax base and provide a better quality of life for all citizens; and,

WHEREAS, since other Bond issues are being retired, passage of General Obligation Bond Issue D would not result in any property tax increase.

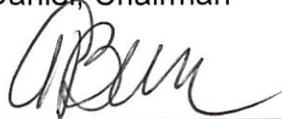

NOW, THEREFORE, BE IT RESOLVED that the Curry County Board of Commission supports General Obligation Bond Issue D that will be on the ballot in New Mexico's November 6, 2018 General Election and encourages all citizens of Curry County to vote in the 2018 General Election.

DONE THIS 16th DAY OF OCTOBER, 2018.
