State Fair News

September 15, 2014 is *Senior Celebration Day* at the New Mexico State fair! On this special Monday, seniors are admitted to the fair for only **\$1!!!** If you are planning to peruse the state fair, Monday September 15 would be a great day!

Remembering 9/11

On September 11, 2001 the United States was victimized by an act of terror that took the lives of thousands of innocent people. Since then, there has been conflict over the ensuing results. But what has not clashed, is the respect, the regard, and the remembrance of the lives lost and the impact on our country as a whole. This year as 9/11 approaches, let us once again put our personal feelings aside and remember with honor those lost and those who fought and continue to fight for the great freedom we have in this country.
